Synopsis :

From School Library Journal Grade 1-4-There really is no way to sugarcoat the loss and destruction that the eruption of Mount Vesuvius wrought in A.D. 79, and those children who thrive on disasters will get a taste of the effects of the inferno in this fictionalized account. The narrative follows the comings and goings of a boy and girl against the hustle and bustle of the Roman port. In stylized scenes rendered in blues and terra-cotta, Tranio notes the activity on the docks, at the forum, and during his father's play rehearsal until the first tremors are felt. As columns split and actors freeze in place, the boy takes off to find his friend. At first they laugh at the frenzy, but as breathing becomes more difficult, the children flee to a boat. The explosion is presented in a dramatic spread with a fiery-red center and layers of billowing clouds as viewed from the sea. The final scene depicts the two (now aged) survivors, returned from Greece to lay flowers on their buried city as they wonder if future generations will remember it. A cross section of the underground reveals the bodies and buildings; an afterword provides a bit of history. Shelley Tanaka's The Buried City of Pompeii (Hyperion, 1997) offers a longer story as well as sidebars with facts and photographs. Both books provide an introduction to this tragic but fascinating city.Wendy Lukehart, Washington DC Public LibraryCopyright 2003 Reed Business Information, Inc. --This text refers to an out of print or unavailable edition of this title. Read more Review 'On the hillside overlooking the sparkling bay of Naples, the Roman city of Pompeii glimmered in the sunlight. From his window, young Tranio listened to the noise humming from bars, taverns, and shops around him . . . Beyond the massive city walls he could see Pompeii's greatest protector looming in the distance. They called it Vesuvius, the Gentle Mountain.' from the book Read more See all Editorial Reviews Escape from Pompeii: Christina Balit: 8601200754575 ...www.amazon.com › … › Children's Books › Growing Up & Facts of LifeEscape from Pompeii [Christina Balit] ...
